

Having made the decision that your complaint will not be investigated as a complaint, he has then determined that no further action will be taken in respect of the information within your complaint.

I have reviewed the outcome of your complaint and am satisfied that it is appropriate. The Force is therefore not required to take any further action in respect of this matter.

Ancillary Matter

Your complaint focuses upon claims of benefit fraud within the DWP. In 2013 you tried to make a criminal complaint against the DWP further alleging that the matter was also a HATE crime due to you being mentally impaired.

You may wish to take further legal advice in relation to this matter at your own expense to consider whether you are able to progress the matter.

Your complaint will now be filed. You are not able to appeal against this assessment of your appeal.

Whilst not upholding your appeal, hopefully my review gives you the confidence that your concerns and complaint have been dealt with fairly and transparently.

Yours Sincerely

Detective Chief Superintendent Cummings
Head of Professional Standards
